(e) how much assistance has been given so far by the Central Government for flood control measures to different States?

THE MINISTER OF STATE IN THE MINISTRY OF AGRICULTURE (SHRI ARVIND NETAM): (a) to (c) Information is being collected and will be laid on the Table of the Sabha.

**Subsidies on Non-Nitrogenous Fertilizers**

2293. SHRI SATYA PRAKASH MALAVIYA:
SHRI ANANT RAM JAISWAL: Will the Minister of AGRICULTURE be pleased to state:

(a) whether Government have finished the modalities to be adopted for the disbursement of subsidies on non-nitrogenous fertilizers;

(b) if so, what are the details thereof, stating whether the subsidies would be available for imported fertilizers;

(c) if not, what are the reasons for delay in finalising the modalities; and

(d) when a final decision is likely to be taken in this respect?

THE MINISTER OF STATE IN THE MINISTRY OF AGRICULTURE (SHRI ARVIND NETAM) : (a) to (d) The scheme for sale of decontrolled fertilizers with concession to the farmers initiated in Rabi 1992-93 is being continued in 1993-94. The concession will be available for the grades of fertilizers indicated below:

| Product | Rate of Concession (Rs. per tonne) |
|---|---|
| Indigenous DAP | 1000 |
| MOP | 1000 |
| Indigenous Complexes | 435-999 |
| SSP | 340 |

Detailed guidelines for implementation of the scheme during Kharif 1993 together with the funds earmarked alongwith release of 1st instalment for Kharif 1993 have already been made to the concerned States/Union Territories.

**Handmg over DMS to Delhi Administration**

2294. SHRI KRISHNA KUMAR BIRLA: Will the Minister of AGRICULTURE be pleased to state:

(a) whether the Government has decided lo handoverthe charge of sick Delhi Milk Scheme to the Delhi Administration:

(b) if so, the reasons and justifications thereof;

(c) whether the DMS is running into losses presently; and

(d) if so, the cause of its losses and efforts made by Government to make it out from the red ?

THE MINISTER OF STATE IN THE MINISTRY OF AGRICULTURE (SHRI ARVIND NETAM): (a) The matter has been taken up with the Government of the National Capital Territory of Delhi and modalities are being worked out.

(b) The supply of essential commodity like milk is one of the normal and natural functions
which should be undertaken by the Govern ment responsible for day-to-day administration
of State/Union Territories.

(c) and (d) Yes, Sir. The losses are mainly due to difference in the cost of production and the selling price of milk. The selling price of milk is fixed keeping in view the avowed policy to provide a remunerative market to the producers of milk on the one hand and to make available quality milk at reasonable rates to the citizens of the capital on the other hand. Various steps have been taken by the Delhi Milk Scheme to increase its efficiency by better utilisation of capacity, economies in the consumption of polythene film and other con sumables like diesel, oil, lubricants, electricity, water etc.. besides rationalization of distri bution routes, so as to reduce the trans portation costs.

**Reforms in Agriculture**

2295. DR. NAUNIHAL SINGH :
SHRI SHIV CHARAN SINGH :
SHRI NARAIN PRASAD GUPTA:
Will the Minister of AGRICULTURE be pleased to state:

(a) whether it is a fact that the World Bank has called for bold reforms in Agriculture;

(b) if so, what are the various areas on which the World Bank has laid down emphasis; the details thereof;

(c) whether Government are preparing on agricultural policy resolution on those lines suggested by the World Bank; and
